RE: TOWN OF SOUTH WINDSOR APPLICATION FOR INTERIM CHANGES TO THE
LOCATIONAL GUIDE MAP *OF THE CONSERVATION AND DEVELOPMENT POLICIES*
PLAN FOR CONNECTICUT

Dear Undersecretary LeVasseur:

It has come to our attention that the Town of South Windsor's request for a public hearing for the above-requested application will result in a public hearing the week of April 28, 2008. Notwithstanding the 30-day time frame in CGS §16a-32-4, we find that the Town would have staffing issues if the public hearing is held during that week. Therefore we respectfully request postponement of the public hearing to a mutually agreeable date.

Thank you for your assistance with our request. If you need further information, please do not hesitate to contact me.

Very truly yours,

Matthew B. Galligan
Town Manager
